

# **STRATEGIC PLANNING SUMMARY 2024-2026**

Our Vision

To be a Christ-centred College to equip, support, and encourage healthy and vibrant churches throughout Aotearoa and beyond. Dyr Mission

Pathways exists to help form disciples of Jesus in greater Christlikeness through biblical and practical training for involvement in God's mission through the Church for the sake of the world.

Dur Values

## **Faithfulness**

To Christ, God's Word, and His mission.

#### Whanaungatanga

Nurturing relationships through shared experiences to strengthen each member of our whānau.

### **Formation**

Towards Christlikeness through instruction and practices aimed at shaping head, heart, and hands.

#### **Partnership**

Collaborating and connecting with our partners and across all cultures to build mutually beneficial relationships to achieve our mission.

### Service

Demonstrating love, kindness, and humility through intentional action in the service of Christ.

Strategic Goal 1:

## Governance

Collaborate with Service Provider Boards to address key challenges like leadership and biblical literacy, ensuring alignment and mutual support.

Strategic Goal 2:

# **Alignment**

Maintain a strong working relationship with our Service Providers, ensuring mutual endorsement and support through regular communication and shared initiatives.

Strategic Goal 3:

# Academic & Pastoral Excellence

Focus on high academic standards, quality assurance, and pastoral care, with specific attention to the needs of Māori and Pasifika students and those who are diverse learners.

Strategic Goal 4:

# Connections & Reputation

Strengthen relationships with stakeholders, including churches, Christian ministries, local iwi, and other tertiary providers, to ensure strong connections and a good reputation.

Strategic Goal 5:

# Financial Security

Build long-term financial capabilities by maintaining strong relationships with funding trusts and diversifying funding sources.
